

PROCEED Workshop Programme
EXPANDING FRONTIERS OF SCIENTIFIC OCEAN DRILLING
6-7th April 2019, Vienna

Day 1: April 6

8h15	Registration
8h45	Introduction to PROCEED
9h00	Plenary Session: Our progress towards achieving the Challenges of the Science Plan
	- Climate and Ocean Change: Heiko Pälike
	- Earth Connections: Chris MacLeod
10h00	Breakout Session A (Part 1): Climate and Ocean Change/Earth Connections
10h45	<i>Coffee break</i>
11h15	Breakout Session A (Part 2): Climate and Ocean Change/Earth Connections
12h00	Report 30 min
12h30	<i>Lunch</i>
13h45	Plenary Session: Our progress towards achieving the Challenges of the Science Plan
	- Biosphere Frontiers: Verena Heuer
	- Earth in Motion: Lisa McNeill
14h30	Breakout session B: Biosphere Frontiers/Earth in Motion
16h00	<i>Coffee break</i>
16h30	Report 30 min
17h00	Plenary Session: Introduction to Day 2 - Future platforms, technology, opportunities & IODP management
	- SOD+23: A potential New US facility beyond 2023: Anthony Koppers and Jim Wright
	- J-DESC PROCEED Workshop Summary report: Masa Kinoshita
18h00	Reception (Aula)

Day 2: April 7

9h00	Wrap Up Session: Day 1 summary and introduction to Day 2 - Future platforms, technology, opportunities & IODP management
9h30	Plenary Session: Technologies and opportunities to expand IODP Science A. Kopf
10h00	Panel Session: Future technologies, techniques, methods, and opportunities: Panelists: ICDP - Ulrich Harms Paleoclimate/IPCC - Tina van de Flierdt European Marine Board - Gilles Lericolais Minerals/Resources - Sabina Strmic Hydrocarbon Exploration Insights from IODP - Andrew Davies
10h45	<i>Coffee break</i>
11h15	Breakout Session C: Future technologies, techniques, methods and opportunities
12h00	Report 30 min
12h30	<i>Lunch</i>
13h45	Panel Session: What is missing from the Science Plan?
14h30	Breakout Session D: Expanding the Frontiers of IODP - identifying the new(?) challenges for each Theme (including any new Themes developed during the workshop)
15h30	<i>Coffee</i>
16h00	Report 30 min
16h30	Plenary Session: summary of the PROCEED survey and open scientific questions, comments, ideas & wrap up
17h00	Workshop closed
