

ECORD/ICDP MagellanPlus Workshop Series Programme **CALL FOR PROPOSALS**

The ECORD/ICDP MagellanPlus Workshop Series Programme aims **to foster the development of new IODP/ICDP drilling projects**, and invites scientists from ECORD/ICDP member countries to propose workshops for the elaboration of compelling drilling proposals.

MagellanPlus particularly welcomes proposals for workshops that integrate scientific marine and continental coring with scientific topics such as Earth's Surface Environmental Change, Processes and Effects, the Deep Biosphere and Sub-Seafloor Ocean, as well as Solid Earth Cycles & Geodynamics, as outlined in the science plans of IODP and ICDP.

MagellanPlus workshops are normally expected to take place in ECORD/ICDP member countries, but exceptions can be made when justified.

The contribution of the MagellanPlus Workshop Series will not exceed **15,000 €** per workshop. Proponents are encouraged to seek co-funding from other sources. Workshops will be held no later than 12 months after approval by the MagellanPlus Science Steering Committee.

Proposals must include:

- 1)** short summary (max. 500 characters) stating the purpose of the proposed workshop and its expected impact;
- 2)** full description (max. 2 pages) of the proposed workshop outlining the goals, rationale, expected outcome, involvement of early-career researchers, number of participants and location;
- 3)** workshop programme;
- 4)** list of keynote speakers;
- 5)** flyer of the workshop;
- 6)** full budget for the workshop;
- 7)** CV (max. 1 page) plus a list of international, peer-reviewed publications for the last five years, of main applicant.

Proposals must be submitted as a single, combined pdf-document and email attachment to magellan.plus@uu.nl and to ema@cerege.fr

The deadline for applications is **15 May 2020**
