The ECORD Scholarships

The European Consortium for Ocean Research Drilling (ECORD) will sponsor 10 to 15 Scholarships to allow outstanding young scientists to attend one of the three 2020:

- ECORD Summer Schools in Urbino (Italy),
- Bremen (Germany) or
- Leicester (UK).

The Scholarships will contribute to costs of registration, travel, subsistence and/or accommodation at the Schools.

The ECORD Scholarships are open to young scientists based in ECORD countries

How to apply

Applications should be sent to the ESSAC Office (essac@plymouth.ac.uk) and should include:

- a detailed Letter of Interest (max. two pages),
- a CV and a Letter of Support from one supervisor.

No other attachments will be accepted.

Please download and use the templates for the CV and Letter of Support from our website:
<http://www.ecord.org/education/scholarship/>

The most important document of the package is the Letter of Interest, which should outline the motivation for your application and summarise how attendance at the summer school will be beneficial for your future scientific career. Application for an ECORD Scholarship is independent of the application and registration process to an ECORD Summer School. **Please be aware that application and registration for the ECORD Summer Schools must be made directly through the respective Summer School organisers (see contact links below), not through the ESSAC office.**
