

**APPLY FOR AN  
ECORD SCHOLARSHIP  
to attend an ECORD SUMMER SCHOOL in 2016**

**DEADLINE: 15 March 2016**

The European Consortium for Ocean Research Drilling (ECORD) will sponsor **10 to 15 Scholarships** to allow outstanding young scientists to attend one of the three 2016 **ECORD Summer Schools** in **Urbino**, Italy, **Bremen**, Germany or **Leicester**, UK. The Scholarships will be up to approximately €1000, depending on travel distance, and will contribute to costs of registration, travel, subsistence and/or accommodation at the Schools.

The ECORD Scholarships are open to young scientists based in ECORD countries (see <http://www.essac.ecord.org/index.php?mod=about&page=ESSAC> for a list of ECORD countries). Preference will be given to PhD students or early career post-doctoral research scientists. The review of the applications will be made by ESSAC, the ECORD Science Committee, and the decisions will be communicated by the beginning of June 2016.

**The deadline to apply for an ECORD Scholarship for the three summer schools is 15 March 2016.** Applications should be sent **to the ESSAC Office** ([essac.office@erdw.ethz.ch](mailto:essac.office@erdw.ethz.ch)) with copy to the ESSAC Chair, Jan Behrmann ([jbehrmann@geomar.de](mailto:jbehrmann@geomar.de)) and should include a detailed Letter of Interest (max. two pages), a CV and a Letter of Support from one supervisor. **Please download and use the templates for the CV and Letter of Support from our website:**

<http://www.essac.ecord.org/index.php?mod=education&page=scholarships>

No other attachments will be accepted. The most important document of the package is the Letter of Interest, which should outline the motivation for your application and summarise how attendance at the summer school will be beneficial for your future scientific career.

***Application for an ECORD Scholarship is independent of the application and registration process to an ECORD Summer School.*** Please be aware that application and registration for the ECORD Summer Schools *must be made directly through the respective Summer School organisers* (see contact links below), not through the ESSAC office.
