

List of actions

Participants:

AG: Albert Gerdes, ESO Public Relations
AS: Alan Stevenson, ESO Outreach Manager
GC: Gilbert Camoin, EMA Director
GFG: Gretchen Früh-Green, ESSAC Chair
JGP: Julia Gutiérrez Pastor, ESSAC Science Co-ordinator
MB: Milena Borissova, EMA Assistant Director
ML: Melanie Leng, member of the ICDP Executive
MW: Matthew Wright, Communications Manager, Consortium for Ocean Leadership

NH: Nadine Hallmann, EMA Assistant Director starting on 1st January 2015
PM: Patricia Maruéjol, ECORD Outreach Co-ordinator, EMA
SKC: Sharon Katz-Cooper, Assistant Director IODP Education, Consortium for Ocean Leadership
TO: Tamano Omata, Communications Manager, CDEX
TW: Thomas Wiersberg Education & Outreach, ICDP

2) Actions from the last meeting (Bremen, 4-5 February 2014)

Action MB: to send G. Früh-Green an updated list of the currently funded MagellanPlus workshops.

Action AG: to share links of the Baltic Sea videos with the EOTF group

Action JGP, PM, NH: to set up a strategy in Dec/Jan 2015 on how to post ECORD science publications online

3) Recent ECORD, IODP and ICDP activities

- **ECORD**

Action AS: to provide contact in Turkey to G. Camoin to have a Turkish observer attending the next ECORD Council meeting

Action AS: to find out how to organise webinars for the Atlantis Massif expedition and future MSP expeditions

Action AS: to check if ESO is involved in the 2014 UK IODP Conference at the Royal Geographical Society on 5 November 2014
<http://www.nerc.ac.uk/research/funded/programmes/ukiodp/news/051114/>

Action GFG: to involve two additional co-convenors for the EGU 2015 session: "Stratigraphy, Sedimentology & Palaeontology, SSP – Ocean and continental drilling"

Action PM: to provide T. Omata with details about the award received by M. Strasser at ISC 2014

- IODP: Consortium for Ocean Leadership and CDEX

Action MW: to check with Ocean Leadership how to transfer ECORD funds toward the funding of beverages for the 2014 AGU.

Action PM: to inform M. Wright about the number of issues to be sent to ECORD, in particular for the next booth at EGU 2015

Action TO: to communicate the dates in 2015 for the celebration of the 10th anniversary of the delivery of the *Chikyu* and of the opening day at the Kochi Core Center

- ICDP

Action TW: to contact scientists to submit abstracts to the IODP-ICDP session at EGU 2015.

Action TW: to mention 'amphibious proposals' in the next ICDP call

Action TW: to prepare the 'Call for the amphibious proposals' and send it to G. Camoin. When approved, to submit it to *EOS* for publication in October and November.

Action GC: to write an article on 'amphibious proposals' for 'News and Views' in the *Scientific Drilling* journal

Action PM: to write short reports of outreach activities at EGU 2014 and ISC 2014 for 'News and Views' in the *Scientific Drilling* journal

Action GC: to contact N. Eguchi for requesting contributions concerning Expedition 348 to the *Scientific Drilling* journal

Action ML: to check workshop reports in the previous issues of *Scientific Drilling* journal

4) Resources

- ECORD Newsletter

Action GC: to write a text concerning the new award, the Asahiko Taira International Scientific Ocean Drilling Research Prize

Action AS: to contact Bo Barker Jorgensen to get a report on the Baltic Sea Expedition

Action PM: to contact A. Bornemann (IODP Germany) to ensure "News from Germany" will be provided

- ECORD Annual Report 2014 - early March 2015

Action GC: to send the contents of the Annual Report 2014 to all contributors in early November and to set a deadline (early-mid January) for the submission of articles

- New IODP brochure

Action PM, All: to start with the layout and text of an IODP brochure on “How to get involved” and to have a draft ready for further discussion at AGU 2014; to continue the discussion at the next Outreach meeting in January 2015

Action GC: to present the draft of the new IODP brochure at the next IODP Forum meeting (July 2015, Canberra, Australia)

- "IODP Book", edited by R. Stein (to be published early December by Elsevier)

Action AG: to meet with Rudi Stein in October to discuss further steps and a detailed planning regarding the IODP Book, e.g. the distribution of the latest version of the flyer, the creation of a highlight brochure and a relevant contribution to the AGU

- ECORD/IODP-ICDP resources

Action PM, TW: to send a draft of the ECORD/IODP-ICDP flyer to the EOTF by the end of September with the objective to print it in November 2014

Action GC: to contact NSF and MEXT to ask them if they need additional paper copies of the *Scientific Drilling* journal

Action GC: on behalf of the editors to contact the IODP operators regarding the expedition science reports to be submitted by the Co-chiefs scientists to the *Scientific Drilling* journal

5) Upcoming events and activities (FY14/FY15)

- AGU 2014, 15-19 December

Action MW: to discuss the concept of the ‘Scientific Drilling Townhall Meeting’ with his group and provide feedback to P. Maruéjol, T. Wiersberg and T. Omata

Action PM: to coordinate a discussion on the concept of the ‘Scientific Drilling Townhall Meeting’ in the ECORD group after receiving feedback from M. Wright

Action MW: to contact ANDRILL group to be part in the ‘Scientific Drilling Townhall Meeting’

Action TO: to send feedback by email to the OETF group about CDEX opinion concerning the AGU Townhall Meeting as discussed in Zürich

Action PM: to contact C. Meth (COL) at AGU 2014 to discuss about the format of the ‘Primer Workshop’ and see with T. Wiersberg if it could be adapted to EGU 2015 or other conferences

6) Websites

- ECORD in Wikipedia <http://en.wikipedia.org/wiki/ECORD>

Action EMA: to make a list of contents for the ECORD Wikipedia article including keywords for each paragraph

- Updates and traffic

Action GC: to write a few lines on 'Earth Science Europe' for the ECORD website (ECORD and the EC web page)

Action PM: to propose new categories to reorganise the home page of the ECORD website before AGU 2014 and continue the discussion by email

- ECORD science publications

Action EMA, ESSAC: *see item 2)*

7) Education activities

- ECORD education activities

Action ESSAC: to inform the teachers applying for the at sea program by advertise it in the call they will not be paid during the expedition in case they take unpaid leave.

ACTION EOTF: to discuss the potential ECORD financial support for teachers on ECORD expeditions at the AGU

Action EOTF: to further discuss with Sharon-USIO at AGU 2014 about teacher at sea opportunities

8) Budget issues

Action PM: to ask J-L Bérenguer for the costs of the 'School of Rock', which was carried out in Valbonne, France (April 2014), in order to add a relevant sum to the outreach budget to be presented at the next Council meeting

9) Outreach strategy

Action PM, MW : to stay in contact regarding a meeting of the outreach group while at the AGU

Action PM: to provide the OETF with all presentations of the meeting

10) Next meetings

Action PM: to provide participants of the OETF meeting in January 2015 with more information
