

ILP Meeting

Edinburgh 11-12 June 2014

Andrea Moscariello

Chairman of the ECORD Industry Liaison Panel

andrea.moscariello@unige.ch

ECORD Industry Liaison Panel

A link between academia and industry forging and fostering mutually-beneficial relationships.

The panel mainly comprises representatives from interested Industries and Service Companies and the IODP Engineering Development Panel representative to provide the ECORD ILP with a link to international Industry and IODP-related technology development.
