

Expedition Participants
IODP³-NSF Expedition 501
New England Shelf Hydrogeology

Brandon Dugan
Co-chief Scientist
Colorado School of Mines, USA

Rebecca Robinson
Co-chief Scientist
University of Rhode Island, USA

David Boutt
Hydrogeologist
University of Massachusetts Amhurst,
USA

Cristina Corradin
Hydrogeologist
National Institute of Oceanography and
Applied Geophysics – OGS, Italy

Takeshi Hayashi
Hydrogeologist
Akita University, Japan

Holly Michael
Hydrogeologist
University of Delaware, USA

Mark Person
Hydrogeologist
New Mexico Tech, USA

Tsuyoshi Shintani
Hydrogeologist
National Institute of Advanced Industrial
Science and Technology, Japan

Karen Johannesson
Environmental geochemist
University of Massachusetts Boston, USA

David Bekaert
Inorganic Geochemist
Centre de Recherches Pétrographiques et
Géochimiques, Lorraine, France

Rolf Kipfer
Inorganic Geochemist
Swiss Federal Institute of Aquatic Science
and Technology, Eawag, Switzerland

Alize Longeau
Inorganic Geochemist
Centre de Recherches Pétrographiques et
Géochimiques, Lorraine, France

Ellie Miller
Inorganic Geochemist
Colorado School of Mines, USA

Paul Moser Röggla
Inorganic Geochemist
Swiss Federal Institute of Aquatic Science
and Technology, Eawag, Switzerland

Thomas Müller
Inorganic Geochemist
GEOMAR, Kiel, Germany

Israëla Musan
Inorganic Geochemist
Woods Hole Oceanographic Institution,
USA

Alan Seltzer
Inorganic Geochemist
Woods Hole Oceanographic Institution,
USA

Boris van Breukelen
Inorganic Geochemist
Delft University of Technology,
Netherlands

Laura Wehrmann
Inorganic Geochemist
Stony Brook University, USA

Aaron Micallef
Lithostratigrapher
Monterey Bay Aquarium Research
Institute, USA

Avishek Dutta
Microbiologist
University of Georgia, USA

Maria Pachiadaki
Microbiologist
Woods Hole Oceanographic Institution,
USA

Xinxu Zhang
Microbiologist
Shenzhen University, China

Gretl King
Micropaleontologist
Binghamton University, USA

Daisuke Kuwano
Micropaleontologist
Kyoto University, Japan

Verena Heuer
Organic Geochemist
MARUM, University of Bremen, Germany

Bryce Mitsunaga
Organic Geochemist
Harvard University

Sophie ten Hietbrink
Organic Geochemist
Stockholm University

Yige Zhang
Organic Geochemist
Guangzhou Institute of Geochemistry,
China

Ann Cook
Physical Properties Specialist
Ohio State University, USA

Shuai Feng
Physical Properties Specialist
Kyoto University, Japan

Mojgan Soleimani
Physical Properties Specialist
University of Montpellier, France

Prajith Adukadukam
Sedimentologist
National Centre for Earth Science Studies,
India

Davide Gamboa
Sedimentologist
University of Aveiro, Portugal

Steve Phillips
Sedimentologist
U.S. Geological Survey, USA

Sara Polanco
Sedimentologist
University of Sydney, Australia

Valentina Rossi
Sedimentologist
National Research Council of Italy –
Institute of Geosciences and Earth
Resources, Italy

Jeremy Everest
Expedition Project Manager
ECORD Science Operator

Margaret Stewart
Expedition Project Manager
ECORD Science Operator

Erwan Le Ber
Petrophysics Staff Scientist
ECORD Science Operator

Andrew McIntyre
Petrophysics Staff Scientist
ECORD Science Operator
